Come see us at this event!

Renovation Time!

We began clearing out the Manna Pantry on Feb. 21st into PODS. Creating a mini temporary pantry allowed us to remain open during construction. Chad, owner of Tomahawk Restoration, began bright and early Feb. 22nd with his crew and was miraculously finished with construction by the end of the day despite additional surprises needing addressed. Yeah Chad! The following day was spent putting our new carpet in and two days later we were back to things as normal! There are no words to express our gratitude towards

Chad and his crew for not only completing this project in a timely manner, but donating over half the cost as well. A huge thank you to Steve Becker as he was instrumental in putting the right people together to make this happen. To the volunteers that came out and either emptied the pantry or put it back together after construction, thank you! To the churches that financially contributed as well, thank you so much for the support!

Volunteer Spotlight

We want to give a shout out to a volunteer that has made a huge impact to our pantry!

The volunteer coordinator position is a tough role to fill. Continual monitoring of our Facebook page, multiple phone calls during the day, and sometimes emails too can make for a busy day! Heather Clark is our volunteer coordinator and has been filling the role now for a few months. If you have messaged us on Facebook, most likely you have talked to her. Heather works full time and still finds time to volunteer in this role. Thank you, Heather, for all you do for the Manna Pantry!!!!

OH, SNAP!

We are now able to assist you with signing up for SNAP. SNAP is the Supplemental Nutrition Assistance Program previously referred to as food stamps. Please contact us for details!
