PHILIPPIANS 4:19

As we continue to grow, our search for larger space continues. It has become at the forefront of our minds as the limited space effects all aspects of our mission to include how many we can serve, how we serve, quantity of food we can take in, and number of volunteers we can house. We continue to pray and know God has a plan for the Manna Pantry.

### Volunteer Spotlight

We want to give a shout out to a volunteer that has made a huge impact to our pantry!

We want to give a shout out to our Monday Sprouts crew: Kenneth and Patsy Anderson, Gary and Gloria Elliott, Danny and Nancy Moore, Jack Slocumb, Karen Davidson, and Sherri Rogers. You know, this group actually started as a Monday Wal-Mart crew over four years ago. They have stayed together and stuck with us all these years! Thank you!

John Lehman is another volunteer we would like to highlight. For those of you that do retail pick up, you know it is not an easy gig. John picks up Walmart on Monday and Saturday every week. He is also one we call on frequently when we have an additional pick up. Have you seen all of those M&M's we have? Thank you, John, for all you do!

We also have this going on.....
