Volunteer Spotlight

We want to give a shout out to Jack Slocumb for setting up our website! Jack already volunteers every Monday morning picking up Sprouts. He has stepped up and created not only an amazing website for us, but a database as well! We are working to store our volunteer hours and food donations there. Thank you Jack!

Jamie Kautz has really stepped up to help us this last month. Jamie picks up Homeland on Fridays and is now taking on some administrative duties for us. She comes in every Monday from noon to 2 p.m. to assist with any food donated. She will start creating our newsletter next month and helps Jack on the website. Thank you Jamie!
